

This exploded view diagram illustrates the assembly of a Tupperware FoodSaver system. The components are numbered 1 through 102. The diagram shows the following parts and their assembly sequence:

- 1**: Two long, flexible vacuum tubes with connectors.
- 2**: A box containing small components 3, 4, and 5.
- 6**: A box containing components 7, 8, and 9.
- 10**: A vertical assembly including components 11, 12, 13, 14, and 15.
- 16**: A box containing components 17, 18, 19, 20, 21, 22, 23, 24, 25, and 26.
- 28**: A component with a handle, labeled **29**.
- 30**: A small component.
- 31**: A circular lid with a handle.
- 32**: A circular ring or gasket.
- 33**: A cylindrical container or bucket.
- 34**: The main FoodSaver unit, a rectangular box with a circular opening on top.
- 35**: A long, thin component, possibly a straw or tube.
- 36**: A box containing components 37 and 38.
- 39**: A component with a handle, labeled **40**.
- 41**, **42**, **43**: Small components.
- 44**, **45**, **46**, **47**, **48**, **49**, **50**, **51**, **52**, **53**, **54**, **55**, **56**, **57**, **58**, **59**, **60**, **61**, **62**, **63**, **64**, **65**, **66**, **67**, **68**, **69**, **70**, **71**, **72**, **73**, **74**, **75**, **76**, **77**, **78**, **79**, **80**, **81**, **82**, **83**, **84**, **85**, **86**, **87**, **88**, **89**, **90**, **91**, **92**, **93**, **94**, **95**, **96**, **97**, **98**, **99**, **100**, **101**, **102**: Various small components, screws, and parts used in the assembly.
